A Dog and A Clock ...And 30 Other Bible-Based Meditations, Roger Ellsworth

Description and Key Features

My Coffee Cup Meditations are short, easy-to-read, engagingly presented devotions based on the Bible, the Word of God. Each reading takes a single idea or theme and develops it in a thought-provoking way so that you are inspired to consider the greatness of God, the relevance of the good news of the life, death, resurrection, and coming-again of Jesus, and are better equipped for life in this world and well prepared for the world to come..

The first book in the series, titled *A Dog and A Clock*, consists of thirty-one easy-to-read devotions following on from a Bible quotation or passage. Attractively produced as a medium sized format trade paperback, the readings are short yet substantial, and readers enjoy having enough (but not too much) to think about in each meditation.

Written in easy-to-understand language, and in a way that will provoke further thinking and transformed living, this is a gospel-based book that may be used by believers and unbelievers.

The Author, Roger Ellsworth, is an experienced pastor and author of many books on the Bible and the Christian life. Now retired, he remains active in ministry. He and his wife, Sylvia, reside in Jackson, Tennessee.
